

\$200,000 FIRE AT FRANKFORT

MOLDIT CORP. FACTORY BURNS 150 EMPLOYEES OUT OF WORK

Four Fire Departments From Surrounding Communities Help to Battle Blaze

Mokena Fire Dept. Answers 3 Grass Fire Calls Tuesday

The Mokena fire department responded to three fire calls Tuesday afternoon. The first one was to the Brownlee factory and home on Wolf road where a grass fire was gaining a rapid headway. A good drenching of water by the fire department soon put an end to it.

Hardly had they returned from the Brownlee fire, when another call came from the Fred Lauffer farm near Marley where another grass fire was rapidly spreading across a meadow. Wetting the edges of the fire area and helping to combat it, the Mokena fire men soon had it under control.

The next call came almost at the same time, for another grass fire in Wooded Estates at 159th street and 113th Court, where a grass fire was gaining headway. It was soon under control.

Houses Numbered At New Lenox This Week

The residents in the village of New Lenox have each received a notice stating their house number with the request that the numbers be obtained and placed on their homes or places of business at once.

The house-numbering committee consisted of George Marshall, George Vally and Everett Merfeld. They set up the New Lenox house numbering system according to the system used in Chicago, numbering each 25 feet of property.

Numbers may be had free at the New Lenox Coal and Feed company being furnished by the owner, Sheldon Hauck. The Schroeder Hardware and the New Lenox Lumber and Hardware also have better quality numbers for sale.

The dividing line for north and south is Haven avenue and for east and west, Cedar road.

MOKENA VILLAGE BOARD RECEIVES COMPLAINTS

The Mokena Village Board has received a number of complaints in regard to boys shooting BB guns inside the village limits. They were informed that a child was recently hit during such a pastime.

As firing of BB guns or any other type of arms within the village limits, is prohibited by ordinance the Board is warning all parents that offenders can be prosecuted.

Other complaints that have been made to the Board, is in regard to a trailer which is occupied and is parked inside the village limits. As the village ordinance prohibits people living in trailers inside the village limits, the owners have been notified to remove the trailer. A trailer cannot be used as a permanent abode within the village limits.

HIGHEST PRAISE FOR NEW LENOX P. T. A. VARIETY SHOW LAST WEEK

"Spring Fever" the annual P.T.A. variety show given Friday and Saturday nights in the school auditorium, was very well attended, and both nights the actors played to more than a full house.

Don Wennlund, master of ceremonies, was very good and kept the crowd entertained hilariously with his ever-lasting humor.

The Barbershop quartet, composed of Vernon Miller, Ted Schuh, Ernest Hoefler and Ralph Miller, entertained with several numbers.

The Movie Monkeyshines worked hard to show the audience a little of Hollywood play acting, and they were Director, Jim McCure; Camera Man, Sam Carr; Make-up girl, Dorothy Schaefer; Jealous husband, Carl Jacobsmeyer; Stand in, Harlan Grogan; Other Man, Leonard Heimerdinger and wife, Dorothy Heimerdinger.

Edith Gay, the New Lenox Nightingale accompanied by Mariam Minion, was very good and surprised many New Lenox folks with her lovely voice. Carl Jacobsmeyer, as Bashful Betty was too bashful for words. Florence Cruise and Martha Kern in the Teen-time Twosome displayed fine talent.

Melancholy Minstrel, a comedy team composed of Harlan Grogan, Sam Carr and Carl Jacobsmeyer, drew laughs from the crowd in their pajama clowning, while Jule Carr displayed a fine singing voice in Melancholy Baby. Stanley Ekedahl, with his very fine black magic act, kept all eyes alert, especially some children who could be heard saying, "Where'd it go, Daddy?" or "How did he get that egg?"

The "Ham"onizing Homemakers,

A \$200,000 fire in Frankfort Friday razed the buildings of the Moldit corporation, manufacturers of rubber products. The fire, believed to have been started in a scrap pile a few feet from the plant, spread rapidly in the high wind and the first alarm was turned in at 9:00 am.

Firemen from four departments battled the blaze and succeeded in saving a building where highly explosive material was stored. Fire trucks responded to the alarm from Frankfort, Mokena, New Lenox and Manhattan. There was a reported 700 feet of hose strung out to battle the blaze.

According to the superintendent, Leo Rogers, there were about 150 employees at work in the factory at the time the fire was discovered, but all evacuated the buildings and no one was reported injured.

The plant is located on the EJE tracks just south of the village and firemen were able to lay their hose from one village hydrant, requiring about 300 feet in order to reach the factory. The other hose was hooked up to a large "J" water tank nearby.

Smoke from the burning plant was visible for miles around. Trains on the "J" were tied up for an hour and a quarter until a road crew was able to tunnel under the tracks in order to lay the hose so trains could again operate.

At the present time plans have not been made public as to whether the company will open up at the same location or not. Meanwhile the 150 employees are among the unemployed.

BASEBALL SEASON OPENS IN ORLAND

Now that warm days are at hand and spring breezes are in the air, the baseball fever gets in the blood.

This fever is a healthy sign (believe it or not) and takes the place of sulphur and molasses, so on Sunday, April 3, the first call for spring training will see some of the future major leaguers getting in condition on the Orland Park diamond for a season of baseball with the strongest team around the district in their league.

Last year this team represented the Busch Motor Sales and finished second, two games behind the leaders, Midlothian, in a 10 team league, making an enviable record and showing some real classy baseball.

This year the name of "Sun Beams" might decorate the back of the Orland Park lads shirts. So watch for the opening game and come out and see the Sunbeams shine.

4-H CAMP LEADERS TO MEET AT DECATUR SOON

Camp leaders from the four 4-H camping districts of Illinois will gather at the Orlando hotel in Decatur April 1 and 2 to make plans for this summer's camping. E. I. Pilchard and Miss Anna Searl, state 4-H club leaders will discuss with the group, food, finances, fund-raising campaign, camp equipment and handicraft.

NEW BUSINESS IN MOKENA

It is stated that a new business is coming to Mokena, that of a radio and television store. It will be located in the Janes building on front street where the Beaute Box is now located.

Naomie Hamilton, Judy Carr, Dorothy Schaefer, Louise Waide, Marie Gillette, Louise Sayers, Genevieve Jacobsmeyer, Dorothy Sheeler and Mariam Minion entertained with several fine numbers in formal attire.

Beverly Schroeder displayed splendid talent in her tap dance act and was called back several times, as was Wendell Cooper in Spring Serenade, vocalizing several fine numbers.

"Lady's Night" with Don Wennlund, well, you'd just have to be there to appreciate his act—it's unexplainable, but he certainly deserved the many good laughs he brought out of the hilarious crowd.

Bill Muth in Captivating Capers deserved the hand he got for his fine musical numbers, and the last number on the program "Pacific Pulchritude" with sailor Leonard Heimerdinger, and the native bells, Charles Car-nahan, Ike Moore, Jim McCure, Sheldon Hauck, Stanley Techman, and Carl Jacobsmeyer, were out of this world with their native skirts and dance. They brought hilarious screams from the audience and flash cameras were more than flashing thruout the entire program.

The entire cast, as well as the committee, deserve credit for their ability in putting on such a fine show. The committees in charge were:

Direction and talent, Naomi Hamilton, Jule Carr and Dorothy Sheeler. Publicity and tickets, Dorothy Sheeler, Marie Gillette and Ilene Fell; Advertising, Marion Camerico; Posters and program books, Dorothy Sheeler; Music, Mariam Minion, and Refreshments, Hazel Rowswell and Francis Cooper.

MOKENA YOUTH BEING SOUGHT ON CHECK CHARGE

Harold Stauffer, aged 20, son of Mr. and Mrs. Frank Stauffer of Mokena, has been reported missing from his Mokena home since Monday afternoon.

It is alleged that he cashed a number of checks Monday at local business places for the sum of \$25 each, the checks having Byron Nelson's name as signer. Among some of the places cashing these checks are: Boleman Drug Store, Wannemacher Grocery, Royal Blue Grocery, Morry Larson and Muehler's taverns and the Mokena Motor Sales.

It is alleged that Stauffer bought a used Pontiac car from the Gordon Gustafson Pontiac company in Joliet giving a check for \$1300 drawn on the Mokena State bank on his own account which it is stated had a little more than one dollar in it.

Stauffer was married February 26 to the former Miss Eileen Nelson of Mokena and they had gone to house-keeping in an apartment belonging to her parents, Mr. and Mrs. Byron Nelson.

A youth about 19, was said to be with him as well as a 20 year old girl from New Lenox whose mother reported her missing yesterday.

April 9 Is Day For School Election

Following close on the heels of the township elections, is the annual school elections which will be held April 9.

In New Lenox, where the polls will be open from 12 noon to 7 p. m., Robert Gillett the incumbent president, and Stanley Ekedahl, the present secretary, are not candidates for re-election. Charles O. Ellis is a candidate for president of the Board for a one year term. Mr. Ellis is now a member of the Board. Roland Jedlick and Mac-Clain Brown are candidates for members of the board.

In Mokena, where the caucus will be held from 1:30 to 2, and the school election from 2 to 4 o'clock, is Lawrence Kohl, as candidate for re-election as school board member. Mr. Kohl has served well, his many friends think, and altho he did not want to be a candidate, succumbed to his friends urging.

Treasure Hunt Sale

The Woman's Guild of the Grace Episcopal church of New Lenox will sponsor a Treasure Hunt on Saturday afternoon April 2 from 2:4 o'clock in the parish hall. Similar to a rummage sale, articles can be purchased from hand painted dishes to bird cages etc. All are invited to come and find your treasure.

SUMMER ROUND-UP AT MOKENA

Mrs. Hugo Niethammer, chairman of the Mokena P.T.A. Summer Roundup committee, is announcing physical examinations will be held in the Mokena public school this afternoon at 1:00 o'clock. This roundup is for all pupils in the fourth grade and for the pupils who will enter school for the first time, in first grade this fall.

Committees Name Date for Tinley Park Celebration

The Tinley Park Volunteer fire department met last week Wednesday together with committees from the Civic club and the Tinley Park Business Men to name the date of the scheduled gala Firemen's Community celebration. The date is definitely set for June 15 through 19.

The committees in charge are planning an elaborate program for the five-day celebration, which will include amusements for young and old. There will be lots of thrilling rides as well as sandwich bars.

The three cooperating organizations are enthusiastic over the event as the entire net proceeds will go to the volunteer fire department.

All citizens of Tinley Park are looking forward to give the Fire department a helping hand and it is understood that everyone can help to put this celebration over.

Fined for Speeding On Mokena Streets

Because of the continuance of speeding on Mokena streets, which for the protection of life in Mokena, the village board emphasizes must stop.

The Village Fathers take pride in keeping the village streets in good condition, and because of that it is a temptation to some, especially some young people, to speed. They do not think they will hit anyone, but that often has been done, perhaps not in this village, but there is always a first time. That is the reason the village board members are determined there must be no speeding on the village streets.

Village officer Carl H. Briggs arrested Arthur Hurley on February 26 because he was speeding on the village streets. At the time of the arrest Officer Briggs charged that when he was about to issue Hurley a ticket, the latter turned his auto around and sped away. The license number was taken and he was notified to appear in Justice of the Peace R. Melvin Whitaker's court at New Lenox. Hurley ignored the notice and it was necessary for Officer Briggs and Constable Bennett to serve a summons for his appearance.

Hurley, who is 23, secured Attorney Albert H. Krusemark, Sr., to represent him and the village employed Attorney Thomas Powers as their legal representative. The trial was set in Justice of Peace Whitaker's court for March 19, but a pre-trial conference with Hurley was arranged by Attorney Krusemark and the difficulty was settled with Hurley paying a fine of \$55.

Village authorities state they do not like to have to arrest and fine any one, and had Hurley answered his first notice, the fine would have been only about \$5.00.

MOKENA STREET LIGHTS INSTAL'D

Mokena is nearing the time when street lights will be restored in the section on Front street west of Wolf Road.

The Uthe Electric company installed the light arms and light fixtures Monday, and as soon as the switch arrives from the General Electric company, the street lights will be ready for use.

TRIP AROUND WORLD ON CLIPPER SHIP TO BE SHOWN AT NEW LENOX

N. L. Band Parents To Meet April 4

The New Lenox Band Parents meeting will be held in the school Monday evening, April 4. The officers and members are anxious to have a good attendance.

It has been announced that the monthly movie, which is sponsored by the Band Parents, will be shown in the school Friday evening, April 8. The title of the movie will be, "Thunder Cloud, Son of Flicka," and will star Roddy McDowell and Preston Foster.

Marilyn R. Laurian Awarded Honor Key

Marilyn Rieman Laurian, Mokena, Illinois, received the special honor key from Wesley Memorial Hospital's School of Nursing at a dinner held Tuesday, March 22.

Thirty student nurses received achievement awards or special honor keys, the latter signifying the school's highest award. Both are based not only on scholastic record, but on personality, character and relationship with fellow students, patients and faculty members. 276 students are enrolled at present in the School of Nursing.

Dr. Raymond W. McNeay, chief surgeon at Wesley and associate professor of surgery, Northwestern Medical school, spoke at the award dinner held at Hampshire House, the nursing home. Edna S. Newman, director of the department of nursing at the hospital, presided.

Tinley Amateur Show To Be Held April 23

Members of the Tinley Park Recreation Commission have been busy distributing posters advertising their fourth Annual Amateur Show to be held Saturday, April 23.

Applications are stapled to the posters which have been placed in business places in all surrounding towns. A large number of entries is expected this year from which the show can be enlarged to twenty acts of good variety.

To equalize competition for all contestants there will be junior and senior prize groups. Dancers, musicians, singers, mimics and imitators, all will be auditioned at the Tinley Park school Saturday, April 9 from 7:30 to 8:30 p.m. and Sunday afternoon from 2:00 to 4:00 p.m. If those desiring to enter are unable to locate posters with the applications, please write Ruth Freitag, Tinley Park Recreation Commission, Tinley Park, Ill., stating the full name and address, type of act or instrument played and the age of the contestant.

This year prizes will be awarded by applause meter which registers audience approval the same as used on big radio shows. Prizes are so divided that each contestant will receive some cash award for participating.

Auction Sale Dates

April 6—Frank Kirman, Lockport

An unusual treat is being given to citizens of New Lenox this Saturday evening at 8 o'clock when movies will be shown in the Grade school auditorium of a trip around the world on a Clipper ship. This is being sponsored by the New Lenox Boy Scout troop No. 60 for their camping fund for this summer.

These pictures have been made possible through the Scout Master Mr. J. Edward Stevens. For those who take the National Geographic magazine, complete information can be had, by reading the story of the Clipper trip in the January issue for this year. It is the first article in the magazine and covers 50 pages. It tells of a trip around the world, still in progress, made by Mr. Irving Johnson and his wife Electa, and their children. The trip will end in May covering a period of 18 months. The Clipper was purchased by the Johnsons in 1946 from England. It was a German-built boat, named Duhnen, captured by the Britons, and had been a North Sea pilot. She is 96 feet long.

The Johnsons had her outfitted as a brigantine at Dovenhire, England, renamed her Clipper, and sailed from there November 2, 1947. They touched the Azores, Bermuda, Boston, Haiti, thru the Panama Canal out into the Pacific, down to Easter Island, Pitcairn Island, and the many other Pacific islands, up to Honolulu and from there they are coming home, to arrive on time, by May.

On their trip they have taken colored movie pictures, sent the films home to their friend Miss Marie Flemming in Chicago to have them developed. Miss Flemming is employed in the same place of business as Mr. Stevens and that is the reason for the first showing of these marvelous pictures being shown in New Lenox, and for the benefit of the Boy Scouts. Miss Fleming must return the pictures to the Johnsons by May first.

There is no admission being charged for this showing, but no one will be admitted without a ticket. Tickets are available from Mr. Stevens and Jack Heisner, assistant Scout Master. Those accepting tickets are making a donation to the camping fund for the 20 Scouts of New Lenox, and in turn they will have the privilege of seeing these wonderful pictures of the Johnsons' trip around the world.

New Lenox probably will never have an opportunity like this and it is believed Mr. Stevens' dream will be realized, that of the community backing the Scouts in this project with their patronage.

Previous to the picture showing, the Scouts and their parents will have their usual pot luck dinner at six o'clock.

All Boy Scouts in uniform, whether of New Lenox or elsewhere, will be admitted free Saturday night. Indeed, the New Lenox Scouts are herewith inviting them to come.

For further information, read the article in the Geographic and then you will surely do your best to attend.

NEW LENOX LIONS PRESENT GIFT TO THE SCHOOL

The New Lenox Lion's club presented rain coats and capes to the six boys who are serving on the school patrol. The coats are lovely in a bright red and have the Lions' insignia on them.

TINLEY PARK

Tinley Park 728

CARD OF THANKS

The dance committee of the Bremen Post No. 2791 V.F.W. desire to thank the business men of Tinley Park and all their many friends who helped to make their annual St. Patrick's Day dance such a huge success. We also want to thank the women's Auxiliary for their assistance which added greatly to the success, by the serving of the delicious bar-

que sandwiches. Thank you one and all.

THE DANCE COMMITTEE

IN MEMORIAM

VOGT—Lizzie. In loving memory of our wife and mother.

The 29th of March again was here, For us the saddest in the year, Surrounded by friends we are lone-

some, In the midst of our joys we are blue With a smile on our faces, we've a heartache,

Longing dear one just for you.

LOVING HUSBAND AND

CHILDREN.

Mrs. Harry Mager is a surgical pa-

tient in a Chicago hospital.

Rev. W. Bodell of Clark Lake, Mich., has been visiting with his daughter, Mrs. Milton Carr for the past two weeks, enroute from a trip to Florida. He will return to Clark Lake April 1.

Mr. and Mrs. Bernard Ballard and family attended a first communion party for Thomas Almutt Sunday in the home of Mrs. Clara Pekar in Chicago.

Mr. and Mrs. Fred Nitsche were guests of Mr and Mrs. Ross Darnell at Roseland, Sunday afternoon. Mrs. Darnell who has just returned from being a surgical patient is recuperating at home.

Mr. and Mrs. Charles Niemann who have spent the past three weeks with the latter's sister, Mrs. Ed. Schmidt in Texas, returned last week. They enjoyed a wonderful trip of sightseeing.

Jerry Joe, little son of Mr. and Mrs. Joseph Hirtzer who has been ill with pneumonia the past week, is feeling much better.

Mrs. Mamie Barr had the misfortune of breaking her wrist in an accident while attending a bridal shower given in honor of her future daughter-in-law, is slowly improving.

Mr. and Mrs. Frank Cote and daughter Cathy of Chicago were guests of her mother Mrs. Catherine Bartholomew over the weekend.

Mrs. Christian Andres who has been ill in her home the past week, is feeling

much better and up around again.

Father J. W. Fitzpatrick announces a change in services at St. George Catholic church as follows: Mass each Sunday at 7:00, 9:00 and 11:00 a. m. Formerly the services were at 8:00 and 11:00 a. m.

Mr. and Mrs. John Herr and Mr. and Mrs. John Stanton were dinner guests of Mrs. Florence Feil last Sunday.

Mrs. A. R. Moe and mother, Mrs. Ruth Peters went to Michigan City, Mich., last Friday for a few days vacation with relatives and friends.

William Davidson and fiancée, Miss Inez Young of Chicago and Mr. and Mrs. Stanley Latowski of Hazelcrest were dinner guests of Mr. and Mrs. George Fifer last Tuesday evening.

T. P. "B" BOWLING LEAGUE

Standing	March 24	Won	LT
T. P. Coal and Feed		49	35
Funk's Food		44	40
Siemens Standard		44	40
Funk's Tavern		42	42
Service Bakery		42	42
Cavett Drugs		41	43
Lehmann Bros.		40	44
Sanger Ballroom		35	49

Service Bakery won two games from Funk's Food. Siemens Standard won three games from T. P. Coal & Feed. Cavett Drugs won two games from Sanger ballroom. Funk's Tavern won two games from Lehmann Bros.

Jim English bowled high game with 223 and Bill Siemens bowled high series with 566.

LEGION AUXILIARY NEWS

The American Legion Auxiliary unit 615 held their social meeting Friday March 18. Plans for Poppy Day were discussed as well as the party for the past presidents and the initiation of new members, with Cora Douglas chairman. Hostesses were Francis Rowden and Mamie Brandau who served a delicious luncheon. Bunko was played and lovely prizes were awarded.

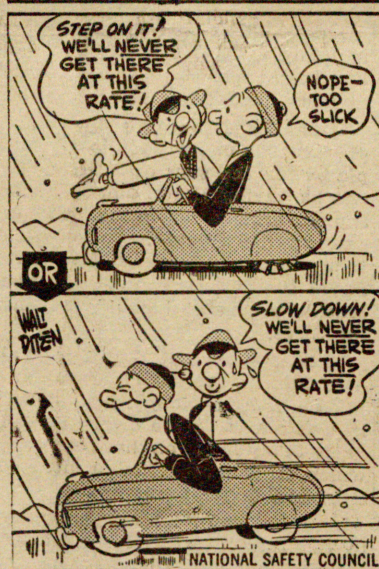

ROYAL NEIGHBORS NOTES

Dew Drop Camp No. 2023 Royal Neighbors of America held their regular meeting March 22 in the village hall. After the business meeting refreshments were served and bunco was played. This special occasion was to celebrate the 54th anniversary of the Royal Neighbors of America.

WBA NEWS

The first meeting of the Woman's Benefit association, Sunset Review, No. 160 was held on Wednesday March 2 in the home of Mrs. Alfreda Willman Sr. The second meeting of the month was held at the home of Mrs. Wanda Cloud. Mrs. Mary Dejanovich surprised the ladies with a lovely birthday cake honoring St. Patrick's day and her birthday. Due to the illness of Mr. Cloud the meeting was adjourned and postponed until April 1, which will be in the home of Mrs. Dora Olsen.—Mrs. Fred Willman, Pub. chairman.

Bremen Voters!

You have listened to deliberate misstatement

You have been lied to by unprincipled politicians . . and

Some of you have been *threatened* by loss of job or loss of relief unless you catered to the interests of 2 calculating self-appointed Bosses of Bremen.

Now Read Some Facts

AMERICANISM—A coalition ticket created by the circulation of petitions throughout the Town of Bremen represents the *best* in Americanism. It prevents party manipulations in the interests of securing the best candidates . . whatever their politics.

TAXATION—Your local tax assessor cannot, under existing State law, control the tax rate or the assessed valuation of your property. The tax rate is determined by all taxing bodies from the respective villages and school districts up to the County. The assessed valuation is determined by the County Assessor and subject to review by the State Tax Commission.

BOSSISM—The only bossed ticket in the field is the so-called Independent which is sponsored by 2 men whose records reek with self-interest as against the interest of every taxpayer in Bremen Township.

REPRESENTATION—The only representative ticket in the field is the CITIZENS COALITION ticket. It represents every geographical area of the township. Its candidates represent the best qualities of the people of the township.

What Is the Real Issue?

THE ISSUE IS SELF-INTEREST AGAINST PUBLIC INTEREST. IT IS POLITICAL AMBITION AGAINST REPRESENTATIVE GOVERNMENT. IT IS A FIGHT AGAINST TRIBUTE-TAKING POLITICIANS. IT IS A FIGHT FOR GOOD GOVERNMENT.

HOW TO SHOOT A RIFLE

By ARTHUR E. COOK
National and Olympic Rifle Champion

Advanced Training

A bullet never travels in a straight line. As soon as it leaves the gun muzzle, gravity begins to pull it toward the ground. Therefore, at longer distances, the bullet is likely to fall short of the target unless (1) you deliberately aim high, or (2) you adjust your sights to compensate for the drop of the bullet.

The same thing applies to horizontal (or sideways) movement of the bullet due to wind while shooting outdoors. Particularly with small caliber bullets, wind is capable of blowing the bullet inches off course. Again it is necessary to compensate for this action.

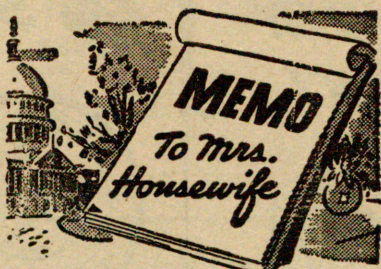

If your rifle is equipped with an adjustable rear sight you need only to determine the amount of adjust-

ment needed and the direction, and then turn the adjustment knobs the necessary amount. There is one basic rule to follow: **MOVE THE REAR SIGHT IN THE SAME DIRECTION YOU WANT TO MOVE YOUR SHOTS.**

Don't try sight adjustment until you have learned to put all your shots in a tight little group on the target. Then, if the group is not in the center you can correct the rifle's point of impact by adjusting the sights. Remember that a rifle is only as good as its sights—put the best ones you can afford on your gun.

(This instruction based on the booklet "HOW TO SHOOT A RIFLE," published by The National Rifle Association, Washington, D. C.)

Know your gun and ammunition!

NATIONAL PRESS BUILDING
WASHINGTON, D. C.

By Anne Goode

First things first, and we think that right now is the time to write your representatives in Washington, urging them to vote for repeal of discriminatory margarine legislation. And if your state prohibits yellow margarine, contact your state legislators and ask them to do something about those taxes, too.

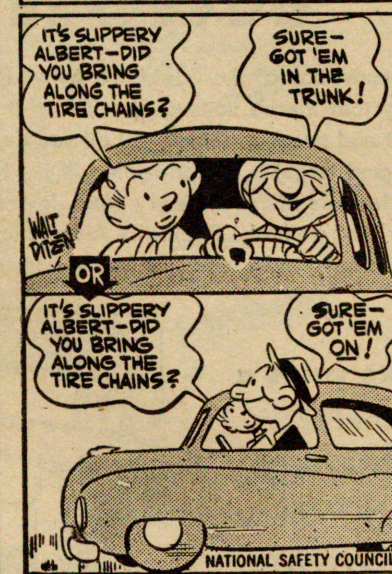

Before handling fish, rub your hands well with salt which helps to remove odors more easily. . . . That goes for onions, too.

Here's a leftover dish that steps into company class: spread well seasoned mashed potatoes with a mixture of real mayonnaise and finely diced green pepper and onion. Top with grated cheese and bake in the oven till potatoes are heated through and cheese is melted. So tasty!

Use a small magnet to pick up stray pins and needles in your sewing basket. Prevents pricked fingers.

Pick-up your basic black dress with accessories in the Springtime mood. Bright bunches of flowers and matching gloves give a lovely lift. Or a fetching scarf lends dash. . . . No need to mention what a hat does for the ego.

Speaking of Spring, new kitchen aprons are a sign of change of seasons. And did you know that old bed sheets can be converted into the most pert little numbers? Just dye them with all-purpose dye and trim with buttons or bows and you can have several for the price of a few packages of dye.

TRUSS-FRAME CONSTRUCTION

---the Soundest Design a Plow Ever Had!

It's the design of a plow that makes the big difference in field dependability. It's the design that makes John Deere today's plow leader.

Thanks to the exclusive Truss-Frame construction, the John Deere is rigidly bound together as a solid unit with plenty of strength and toughness for the most difficult plowing jobs. Shocks of hard work are absorbed by the entire plow—not by a single bottom standard or frame member alone.

There's plenty of clearance for fast, deep plowing . . . for working in trashy field conditions. Servicing, too, is simple, economical. And when you add genuine John Deere plow bottoms, which assure light draft, excellent pulverizing and good scouring, it's then you'll agree—a John Deere Truss-Frame Plow is everything you want—everything you need. See us for complete details the next time you're in town.

NOTHING ELSE LIKE IT!

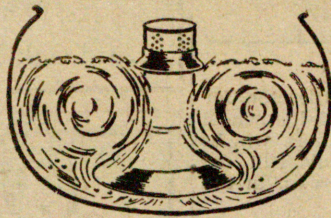

1 PORCELAIN INSIDE AND OUT!

Assures Longer Life!

The Frigidaire Automatic Washer is finished in Lifetime Porcelain throughout. It's rustproof, resists scratching, water scale, soap scum, bleaches, dirt. A damp cloth cleans it as easily as a china dish.

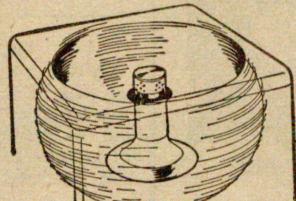

2 AMAZING LIVE-WATER ACTION!

Gets Clothes Clean!

With Live-Water washing, rolling, penetrating currents of water carry clothes from top of tub to bottom of tub time after time—saturating every inch with hot, sudsy water—no metal parts rub your clothes.

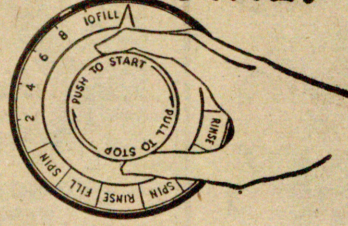

3 FAMOUS RAPIDRY-SPIN!

Removes Far More Water!

The Rapidry-Spin on the Frigidaire Automatic Washer spins more than twice as fast as most other washers—spins clothes so dry some are ready for immediate ironing.

4 MAGIC SELECT-O-DIAL!

Operates Automatically!

You set the Select-O-Dial only once! The washer automatically fills with clean water, washes, rinses twice in clean water, spins damp-dry, cleans itself and shuts off.

You get all 4
only in

FRIGIDAIRE

THE ALL-PORCELAIN

Automatic Washer

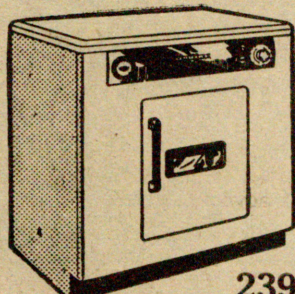

See a demonstration of the Frigidaire Automatic Washer and you'll see very quickly that there's nothing else like it! It gets clothes snowy clean, sunny bright and sweet-smelling—yet all you do is put in clothes and soap, set the dial and forget it. Never again will you have to handle hot, steamy clothes, lift baskets of water-heavy wash. In fact, your hands need never be in water! And while the Frigidaire Automatic Washer makes light work of heavy blankets and sheets, it's gentle with delicate lingerie.

Trail of The Cross

Lesson for April 3, 1949

THE TURNING-POINT in Jesus' career was dramatic. But the few friends who were present did not then realize what it meant. On a vacation journey, Jesus put to his most intimate friends this question: "Who do men say that I am?" Peter's answer, "Thou art the Christ," may sound obvious to us, but was not obvious then. It was sensational, so much so that Jesus did not want the publicity that would come to him if that name "Christ" were freely circulated. For the word "Christ" meant nothing less than "King." To the Romans it would sound like treason; but to the Jews it would sound like Judgment Day.

When Peter said, "You are the Christ," he was implying also: "You are immortal. You are the coming conqueror of the world. You are not in the same class with any other man. You will do for mankind what no other hero has ever done."

Dr. Foreman

God's View and the Devil's
ON ALL THAT glowing devotion Jesus' next announcement fell like icy rain. In the ears of those friends of his it sounded like the bell of death. Never before had Jesus told them anything like this, and they must have found it hard to believe. For he had not a word about a throne, nothing about success, nothing about mastering the world. Quite the contrary. He must "suffer many things... be rejected... be killed." If they heard the words "rise again" too, the words made no impression.

For Jesus had announced what to them seemed impossible, absurd: He, the Christ, would be killed! Small wonder that Peter broke out—No, No! But Jesus would not compromise. He even called Peter "Satan" for thinking as he did.

The Christian church agrees with Jesus, not with Peter. We realize today, as Peter himself did afterwards, what the Cross of Christ means.

Buddha, founder of a very different religion, died in old age of over-eating. Can you imagine Jesus doing that? Suppose Jesus had taken Peter's advice and made arrangements to retire comfortably where he would never see a cross? Then we never should have heard of him. He would not have been worth hearing from.

Translated into modern terms, what Jesus said would sound as horrible as this: Any man who wishes to follow me must take his seat on the electric chair... must take his place in the lethal chamber... must put his neck in a noose... and follow me.

One cross is not enough. There must be other crosses. My road is a death-march. I want for my followers only those who are willing to take the same trail.

Trail of the Cross

SUCH WORDS sounded harsh then; they do still. But in the light of the centuries, we can see what Jesus meant, better than that little band of frightened men around Jesus who did not want to hear the words "suffer... die." Jesus was not advocating pain for pain's sake.

Why did Jesus set his own face toward the cross? The Christian answer is, He did it for others. Now what is wrong with the world today? It isn't that we don't wish our neighbors well; but the trouble is, we don't want to be bothered, our good-will is too tender to stand any strain, we will do anything for other people provided it doesn't hurt.

But the world can be saved only as men and women imitate and multiply the spirit of the crucified Christ.

CARD OF THANKS

I desire to express my great appreciation and thanks to all who so kindly sent cards to me at the hospital and since I have returned home.
Mrs. Nelson Gunhouse.

The confirmation class of thirteen young people will be presented in Christian testimony at St. John's church Sunday. These and 18 adults will be received as members of the church on Palm Sunday.

Mr. and Mrs. Edward Martie who have been ill with the flu are feeling better and on the way to recovery.

Miss Donna Bueschel, daughter of Andrew L. Bueschel, Sr., was recently initiated into the Women's Athletic association at Lake Forest college. She is also a member of Alpha Xi Delta sorority and has served on various committees at the college.

Mrs. Jessie Watkins who has been ill with a severe cold, was removed to Silver Cross hospital last week, where she was placed under an oxygen tent. She is still a hospital patient.

The Sacred Heart league of St. Mary's church met Wednesday night, March 23, in the church. Officers were elected as follows: president, Mrs. Mae Center; vice president Mrs. Stella Helenhouse; treasurer-secretary Mrs. Alice Grybash. Other members present were, Mesdames Florence Demkov, Beth Weber, Dorothy Morrison, Alice Green, Anita Harr, George Marti, T. Schanz and also Father Reynolds and Father Benedict of Joliet. Plans were discussed for future activity.

Melvin Spless was taken ill at the Joliet township high school last Friday and rushed from there to Silver Cross hospital where an emergency appendectomy was performed. He is doing well.

Mrs. Arthur Shoop entertained at a galloping breakfast in her home Tuesday morning. There were 10 women who were whisked away from their work and carried to the breakfast unexpectedly, where the occasion gave all a pleasant hour.

Mrs. Lillian Plappert of Chicago spent the week end with her niece, Mrs. Arnold Christensen and family.

Mrs. Dean Gillett who has been staying with her daughter, Mrs. Lester Shiek and family, since she returned from the hospital a month ago returned to her home in Lockport Sunday.

Mrs. August Werner suffered injury to her spine when she fell March 22 while working at the Moldit company in Frankfort. She had an X-ray taken in Silver Cross hospital Tuesday morning.

Mr. and Mrs. Francis O'Brien and Miss Florence Math, expect to motor to Kalamazoo, Mich., Saturday. Miss Maue will remain for a week with her aunt, Mrs. William Cleveland. The O'Briens will return Sunday.

Mrs. Glen Peterson entertained the Afternoon pinocle club in the home of Mrs. Morry Larson Wednesday afternoon.

Mrs. Peter Homering who has been ill with the flu last week is improving.

Mrs. Edna Stevenson and mother, Mrs. J. Jasper of Mt. Greenwood were guests of Mrs. Hugh Deadmore Tuesday afternoon. Mr. and Mrs. Harry

Tenderson of Frankfort spent Sunday evening at the Deadmore home.

Joliet of Chicago were guests Sunday in church will be held tomorrow night in the church.

Mr. and Mrs. Howard Spless and family and Mr. and Mrs. Carl Schrauthe Berto-

the Bert Spless home. Other guests of the Spless on Saturday were Mr. and Mrs. Charles Lahmann, Mr. and Mrs. Louis Lauffer and Mr. and Mrs. Peter Mancke.

August Werner, and Mr. and Mrs. Harold Baker and family attended the 50th wedding anniversary last Sunday of Mr. and Mrs. Edward Werner which was held in the home of the latter's son, Mr. and Mrs. Howard Werner in Lockport. Edward and August Werner are brothers. Open house was held and many friends and relatives gathered to wish them well.

Mr. and Mrs. Edward Werner lived on a farm on Maple street near Marley for many years, before retiring from farming and moving to Joliet. Mr. Werner operates a second hand store in that city now.

MEMO To Mrs. Housewife
NATIONAL PRESS BUILDING WASHINGTON, D. C.
By Anne Goods

Good vacation news! Rumors have it that gasoline will be cheaper come summer. That's because production is increasing and present stocks are the highest ever.

When giving the small set cod-liver oil, dip bowl of spoon first in milk and the taste will not cling to the spoon.

When shoes are scuffed, don't tear off jagged pieces. Instead, fasten down with glue or colorless nail polish. Then give footwear the ol' shlnola which both cleans and shines.

Did you know that shredded coconut would perk up almost like fresh if moistened with a little milk?

It's been estimated that homemakers wasted more than 11,000 years coloring margarine during 1947. . . If you are one of those homemakers and resent having this laborious chore forced upon you because of ridiculous, discriminatory laws, write to your legislators and ask them to vote for margarine tax repeal. Tell them you want tax-free yellow margarine.

Giving a children's party during March? Then use St. Patrick's Day as a theme for decorations and refreshments. Shamrocks pasted on glasses of lemonade and cookies cut in shape of pipes are certain to delight the little ones.

Tack up a shoe bag inside broom closet to hold vacuum cleaner parts.

FREE M-E Demonstration

On Your Own Soil

Sickle bar, seeder, hiller, furrower, bulldozer, sprayer available for garden models.

AMERICANS THINK!

Your AMERICANISM is on trial...

On April 5th, you must decide—whether you will accept the foreign idea of a "ONE PARTY SYSTEM" for your local government as the Coalitionists want you to do, or

Whether you will follow the AMERICAN WAY, and elect for township office, men of your choice.

Whether you will accept as your governors, men in a slate made up by a handful of smart politician who are trying to cram these hand picked candidates down your throat, or

Whether you will be Independent in your thinking; Independent in your actions—and elect men of your choice, arrived at in open convention—men who have all the qualifications for the office and the integrity to properly serve the people.

The only issue involved in this campaign is "Shall it be the un-AMERICAN COALITION or shall it be THE INDEPENDENT VOTERS PARTY, the party that recognizes your rights as thinking voters and submit their candidates in the AMERICAN WAY.

The INDEPENDENT VOTERS Party Candidates will not lower themselves by resorting to "smear tactics and muckraking". They cannot compete with the expert smear artists bought by the Coalitionists in spreading falsehoods and statements not supported by facts.

The INDEPENDENT VOTERS PARTY candidates feel that the THINKING AMERICAN VOTER knows that the Coalition Candidate for Supervisor has no qualifications for the office, has no background of successful administrative experience, in spite of his claimed high sounding titles and degrees.

That the Coalition Candidate for Collector, ignores the 10th Commandment in the Holy Bible, which says, "THOU SHALT NOT COVET THY NEIGHBOR'S JOB".

That the Coalition Candidate for Highway Commissioner started out as a conscientious public servant, but is now "too big for his britches" and is no longer a servant—he wants to be the master. Look at your township roads, do they look as tho he had spent as his reports show, \$96,000.00 Dollars in the past twelve years? Ask him where he spent your road tax dollars.

The THINKING VOTER knows that the Coalition Candidates for Justice of the Peace and Constable are on that ONE PARTY ticket, just for the ride.

In Contrast. The Independent Voters Party Offers:

for re-election, WALTER C. DOHL. In the people's service for over twenty years, eight years as your township supervisor. Elect him on his record for able administrative ability. He cleaned up the mess left by a previous administration sponsored by the CITIZENS COALITION PARTY. He paid up all the back bills. He re-established the credit of Bremen Township. He operated his office strictly within his income, and by careful planning, the township now has money in the bank.

Re-elect WALTER MANCKE. He has fulfilled his election promises by faithful performance. He has more than doubled the local tax collections and so made your tax money immediately available to our schools and local governments. Out of his legal commission of \$4,000.00 he had to pay all the expense for printing, mailing, collecting, auditing of his books and issuance of proper checks. It is the little that is left that Hon. Chas. F. Nielsen covets.

Elect for Highway Commissioner IRA W. CLINE. This is the first time in the history of the township that a candidate fully qualified by education and experience. Seven years in the U. S. Government Engineering Service, built roads and drained swamps. He is our answer to the township road and drainage problem.

Elect WILLIAM M. SHEEHAN for Assessor. Fully qualified for the job; he is a licensed real estate broker, secretary of the Blue Island Real Estate Board. He was chairman of the committee that zoned Oak Forest and he drafted the zoning Ordinance for the Village. He knows land and land values and will make a fair, an impartial assessment, in co-operation with the Cook County Assessor.

Elect the Independent Voters Party Candidates for Justice of the Peace and Constable. They are able men, pledged to assist the township officials and to serve the people all the time.

Elect the entire INDEPENDENT VOTERS PARTY Ticket. It is made up of men who served our country in both wars. They are young men, getting their experience in the public service, to be ready to take over when their turn comes.

Elect this ticket as your protest against "secret deals, fixed slates, and un-American Coalitions.

Elect the candidates on the ticket that offers the THINKING, INDEPENDENT voter a free choice—all in the best AMERICAN TRADITION.

Be Independent Vote the Independent Voters Party Ticket Straight

A ONE PARTY SYSTEM is un-AMERICAN
A COALITION is a ONE PARTY SYSTEM
COALITIONS are un-AMERICAN

Independent voters should not allow political "BOSSSES" to ram a "hand-picked" SINGLE PARTY ticket down their throats. "BOSSISM" is selfish—it stands for personal advantages and gain—it never considers the welfare of the voter and taxpayers. "REMEMBER WAY BACK WHEN"—

A BOSS RIDDEN COALITION administration wrecked Bremen Township Relief?
A COALITION highway commissioner got thousands of road tax dollars, but Bremen Township got no decent roads?

**DON'T LET IT REPEAT! CAST YOUR VOTE AGAINST
ALL COALITION-BE INDEPENDENT, VOTE THE INDEPENDENT PARTY TICKET STRAIGHT**

It is AMERICAN to be Independent Voter

Legion Notes

Frankfort, Ill.
Bobzin-Swinford Post 1098

Commander Howard Osmus has announced that the American Legion this year will sponsor an essay contest for grade school pupils. This essay contest is open to all children who attend grade school in the State of Illinois. Each year the American Legion conducts this essay contest to interest grade school pupils in the operation of our democratic form of government, to encourage qualities of leadership and scholarship in our youngsters. To the pupil who is chosen as the winner, the American Legion will give an all expense tour of the Capitol of the State, Springfield, and medals to the second and third place winners. For more information on how to enter this contest, contact Miss Viola Lankenau, principal of the Frankfort grade school.

Notice to all remarried widows of Illinois Veterans who have not received the Illinois State bonus have until July 1, 1949 to file claim for said bonus. All persons eligible to claim the deceased Veteran's bonus, as his children, father and mother, his brothers and sisters, have until July 1, 1949 to file claim. If the claim of the remarried widow is turned down in favor of the Veteran's children etc., and they have not filed a claim prior to July 1, 1949, they will not be able to file for the bonus after that date even tho the claim is turned down after

the deadline of July 1, 1949. More detailed information can be obtained at your local representative of the American Legion or Veteran's Administration office.

William Burns, Department Commander, State of Illinois, made this statement this month concerning the anniversary of the American Legion—Lest We Forget, Membership is the Main Goal. Without it Nothing can be Accomplished. "Membership is the Mill stream of Legion Legislation" and all of your worthwhile Legion programs. Join The American Legion and serve in the biggest veterans' organization in history.

Immunization Clinic At Frankfort April 5

All children in the Frankfort area will be given an opportunity to have immunizations against smallpox and diphtheria on April 5, announced Miss Viola Lankenau, Principal of Frankfort school.

School districts Nos. 154, 155, 156 and 156A are invited and urged to attend this clinic.

Mrs. Margaret Emmett, public health nurse for the Will County Health department, indicated there were many children in this area who are not protected against those diseases. She also announced that re-vaccinations for those who were vaccinated for smallpox before 1945, and "booster" shots for those who were immunized against diphtheria before 1943, are being encouraged.

One of the doctors from the Hedges Clinic will give the immunizations at the clinic. The Health committee of Frankfort School Mothers' club is making the necessary arrangements for the clinic, and will assist the doctor and nurse during the clinic.

Parents of pre-schoolers are invited to bring their children to this clinic also.

Chicken Coop Burned At New Lenox Wed.

The New Lenox fire department answered a call Wednesday afternoon at 1:45 when a new chicken coop on the Benton Martin place on Cooper street in New Lenox was on fire.

There were no chickens in the new 12 x 16 building. A large pan filled with corn cobs was furnishing the smoke to cure the 300 pounds of meat. The building was a complete loss as well as the meat, as there was no insurance.

VOTE NEW SCHOOL FOR NORTH PALOS

The voters in North Palos voted in favor of a \$125,000 bond issue March 19 for the purpose of purchasing land and erecting a new school building on 103rd street east of Roberts road.

A new school is badly needed in this section since the present building is over-crowded with 324 children in a six room school.

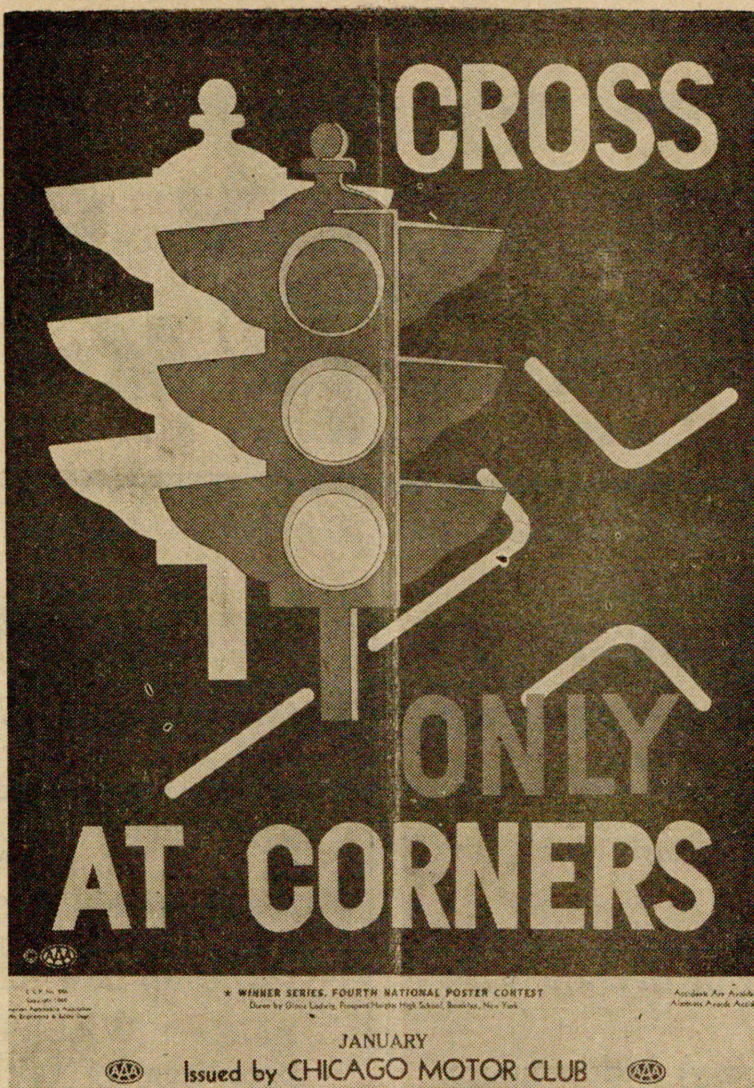

RALPH AGATE

for

Town Clerk

Orland Township

Election April 5, 1949

A timely reminder to school children to "Cross Only at Corners" is carried in traffic safety posters being distributed by the Chicago Motor Club for January display in 44,000 elementary school classrooms throughout its Illinois and Indiana territory. Lesson sheets to elaborate this theme for various age groups highlight the urgency of crossing only at corners during the winter season of poor visibility and unreliable stopping ability of motorists. The poster is one of a series of winners in a national poster contest for high school students conducted annually by the Chicago Motor Club and affiliated organizations of the American Automobile Association.

Election Contests In Some Districts

This is the last week before election and all candidates are looking forward to victory. In some offices there is no contest.

In Frankfort township a quite heated contest is being waged by Lawrence T. Woodman, Burnett W.

Schram, both of Frankfort and August Werner of Mokena for the office of town collector.

The only photo of any of these candidates happens to be that of Mr. Woodman. He has been a school trustee for Frankfort township for the past 12 years, and is now school treasurer and also a bookkeeper for the Bettenhausen Hardware in Tinley

Park. Mr. Schram follows the barber's trade at Frankfort and Mr. Werner, has been a resident of Mokena all his life. All three candidates are well qualified for the office.

In New Lenox township there is a contest for the office of Tax Collector between Alfred Emiley and Edward A. Osmus, and for the office of Assessor, between Homer Kemp and Corwin G. McClain.

In Orland township there are four offices being contested for. For Town clerk Ralph L. Agate and Cecil H. Frickman are candidates; For Assessor there are three, Harold L. Wymer, Merrill Cooper and Charles Erickson; for collector, Robert C. Davidson, John E. Barton and Harry M. Uthe, and for highway commissioner, Carl M. Borner and Leonard C. Gorney.

Next Tuesday, April 5 will tell the correct story. Don't forget to vote, you still have that privilege.

Cemetery Trustees Ask For Cooperation

The officials of the St. John's cemetery association of Mokena make the following statement regarding the cemetery, so that there might be a better understanding of all interested in it.

They state the St. John's Cemetery association is a corporation operating for the purpose of providing ground for burial in the Mokena community and is a non-profit organization. The cost of lots is extremely low, and all officers serve without pay.

The cost of improvements and caretaking must be paid for out of one half of the proceeds from the sale of lots. The other one-half must be placed in the perpetual care fund. The interest from this fund can also be used for care, and improvements. None of this income can be used for special care of graves as all of it is needed for the general upkeep and improvements.

Therefore a request is being made that lot owners will take care of all special plantings on graves and lots, such as perennial flowers, and shrubs. Dry flower stalks and shrubs tend to catch leaves and also high grave mounds. These should be removed early in the spring, as well as evergreen grave blankets. All leaves and rubbish must be placed on the dumping place at the west side of the cemetery.

The trustees of the cemetery request this cooperation of all owners of lots, in making the cemetery look as beautiful as possible.

Although women often complained of being "heavy-hearted," The World Book Encyclopedia reports that a man's heart actually weighs more than the heart of a woman.

Right or wrong? YOU BE THE JUDGE!

Jim Jordan, Jerry Slick Winners in Free Throw Contest

A free throw shooting contest for boys in the New Lenox public school, from the fifth grade up, was held last Friday at the school.

Jim Jordan, 8th grade, was the winner with Jerry Slick, seventh grade, second.

At the elimination tryout held earlier in the week, the best shooters were classed as follows: fifth grade, Mark Shellenberg and Jerry Mode; sixth grade, Bill Duerr and Ted Schuh; seventh grade, Jerry Slick and Gordon Ekedahl; eighth grade, Jim Jordan and Dick Krog.

Jim Jordan won 14 out of the 20 shots, in the contest last Friday, and Jerry Slick came out with 11 for the second place.

A trophy will be awarded to each of the boys according to the principal John Oster.

TINLEY PARK

Tinley Park 728

Mr. and Mrs. Arthur Lehman were guests of Mr. and Mrs. Frank Lehman last Saturday.

Mr. and Mrs. Carl Mueller and Mr. and Mrs. Joseph Milles left last Tuesday for a two week's vacation in Florida.

Mrs. Fred Willman Sr., Mrs. Fred Willman Jr. and Mrs. J. V. McCarthy attended a bridal shower for Miss Doris Willman at the home of Mr. and Mrs. Charles Willman in Chicago Sunday evening.

day evening.

Wednesday evening, March 23, a birthday party was given in honor of Mrs. Marie Miller in her home. Twelve guests attended who enjoyed birthday cake and coffee. Each guest present received a gift.

A birthday celebration was given in honor of Henry J. Bettenhausen in his home last Sunday. Guests included many relatives and neighbors.

Mrs. Fred Willman and daughter Alfreda attended a bridal shower in honor of Miss Katharine Bixman in the Masonic hall in Chicago Tuesday. Miss Bixman will be married in May.

Seaman 2nd class Richard Bernardini, son of Mr. and Mrs. Mario Bernardini, of the Great Lakes Naval

training base spent the weekend with his parents.

Mrs. Edith Hilton is recuperating in the home of Mr. and Mrs. Lewis Showner, 133rd and LeClaire ave., after spending two weeks in St. Francis hospital. Blue Island. Mrs. Hilton received a broken back when thrown from a horse while vacationing in Phoenix, Arizona with her parents, Mr. and Mrs. Phillip Kipp. She will remain in a cast for six or eight weeks.

The Busy Beavers 4H club held their St. Patrick party at the home of our leader, Mrs. Dick Wille Jr., Thursday evening, March 17. Games in keeping with the holiday were played. Refreshments were served by the hostesses Joellen Jeffords, Francine Gallina and Dina Glahn.—Lucile Brandau, reporter.

IN MEMORIAM

MOHR—Erwin H. In loving memory of our beloved son who passed away eleven years ago April 1.

Memories are treasures no one can steal. Death is a heartache no one can heal. Some may forget you now that you are gone. But we shall remember no matter how long.

LOVING MOTHER and FATHER

IN MEMORIAM

HARTWIG—William E. In loving memory of our dear son and brother, who passed away, one year ago today, March 30, 1948.

Dear one, you are not forgotten. Though on earth you are no more. Still in memory you are with us. As you always were before.

Renata Becker had high series with 538, Doris Andres had high game with 202.

EVERGREENS
NEED SPRING
CLEANING

You'll do your evergreens a good turn if you remember them at Spring cleaning time. Evergreens require this seasonal attention more than deciduous trees since the former retain their foliage for several years. Evergreen cleaning is particularly needed by trees growing in metropolitan areas and smoky sections of the country, cautions Martin L. Davey, Jr., the tree expert.

Soot is the evergreens' enemy for it coats the myriad of leaves, interfering with transpiration, the breathing process. More seriously, it drastically cuts down on the sunlight required for photosynthesis, by which the leaves convert the unrefined elements taken from the soil and air into usable plant foods.

Deposits of soot are found on evergreens even in the "cleanest" residential areas. Both oil and coal furnaces are responsible.

The cleaning process is simple and completely harmless to the trees, if soaps or other strong chemicals are shunned. Mr. Davey recommends the use of a strong spray from the garden hose. The main idea is to get close to the tree. Wash with water from top to bottom and bottom to top. In working up from the bottom point the spray upward and if the plants are small enough, point the spray downward in working from top to bottom. Be sure you cover thoroughly. The major part of the soot accumulation will thus be removed.

Other Spring cleaning suggestions offered by Mr. Davey include removing dead branches on your evergreens and raking over mulch material. The mulch should be renewed where necessary.

Statewide Fly-Control
Campaign to be Waged
Again in 1949

Freddie Fly, the pesky, ordinary housefly, is going to be in for a bad time again this summer.

The University of Illinois agricultural extension service, Illinois Agricultural Association, State Natural History Survey, and Illinois Public Health Service are going to see to that.

They're putting on a statewide fly-control campaign again this summer, and it'll be a better program than they staged jointly last year.

H. B. Petty, insect specialist, Illinois College of Agriculture and State Natural History Survey, says nine district meetings are scheduled the first two weeks in April in Illinois as the "kick-off" for the 1949 campaign.

The 1949 program will be explained at these meetings, Petty said. Farm advisers from each county will bring in a carload or two of leaders from

their county. They in turn will organize the campaign in their own county. Representatives of the four sponsoring groups will explain their part in the 1949 campaign and tell how local leaders can organize their own program.

Last year, more than 100,000 farmers did some spraying for fly-control. It cost them about \$1,226,000, but they gained an estimated \$5,887,000 extra income because the dairy and beef cattle produced more milk and meat. They weren't bothered with flies. In addition, 60 towns were sprayed.

Raising the protein content of Illinois feed corn from 9 to 10 percent through better farming practices and use of fertilizers would be worth \$17,419,799 annually to the state's livestock and poultry industry.

Scout News

The Girl Scouts troop met for their weekly meeting on Monday afternoon March 21 in the village hall, with Mrs. Roy Haut their leader, in charge. The business meeting opened with the roll call and collection of dues, after which a discussion period followed on "The Purchasing of Badges for the Scouts," and "How to Care for a Flag." Plans were also made for the Mother's Day tea on April 25. Trail signs were made and folk dances practiced. The meeting was adjourned by forming a friendship circle and singing Taps.

The Brownie troop under the leadership of Mrs. Fred Weiselberger and Mrs. Elmer Sievert, met in the village Hall Wednesday afternoon, March 23, for their third meeting. The meeting was opened with the American pledge and Hello song. Thirteen members were present. The girls are learning their Promise and Investiture, after which the last part of the Brownie story was read. Folk dances were enjoyed. The meeting adjourned with the friendship circle and Girl Scout benediction.

The Brotherhood of the St. Peter's Evangelical church will meet on Tuesday evening, April 5.

The Senior Youth Fellowship of St. Peter's Evangelical church will meet Sunday evening.

George Folkers, a student at Knox college, spent his in between quarters vacation with his parents, Mr. and Mrs. Herbert Folkers, Robert Gutstein of Brooklyn, New York, a student at Knox college, accompanied George home.

Sunday, April 3 the Confirmation class demonstration will be given in the Frankfort Methodist church at the regular morning service at 9:30 a. m.

Mr. and Mrs. Albert Krusemark Jr. entertained their pinocle club in their home last Friday night. Honors went to Mr. and Mrs. Leroy Hansen, Leo Peterson and Mrs. Claude Otto.

Jean Naal, daughter of Albert Naal of Joliet, spent last week at the home of her grandmother, Mrs. Katie Dammann.

Scherrill Weichbrodt, who is attending classes at Champaign, spent the

week end at home.

Mr. and Mrs. Albert Krusemark Jr. and family spent last Sunday with Mr. and Mrs. Wallace Weichbrodt.

Mr. and Mrs. Elmer Sievert and family and Mr. and Mrs. Harry Miller and daughters were guests Saturday evening at the Lester Heisner home.

The Jolly Nine club will be entertained at the home of Mrs. Earl Bettenhausen Thursday afternoon, April 7.

Mrs. Joe Scott entertained a group of friends at her home Saturday evening March 19, then on Sunday evening Mrs. Scott was hostess to another group of friends at a surprise potluck dinner. The evenings were spent playing pinocle. This occasion was in honor of her husband's birthday, which was Sunday, March 20.

The Green Garden unit of the Home Bureau will meet Friday afternoon, April 8 at 1:30 p.m. in the home of Mrs. Roland Woodcock.

Mr. and Mrs. Gilbert Voss entertained friends at a pinocle party last Friday evening, with honors going to Mrs. Joe Scott, Mrs. George Heisner and Mrs. Pete Kokal, also Walter Salzwedel, Alvin Harnack and Pete Kokal, after which refreshments were served by the hostess.

Mr. and Mrs. Harry Hawell and daughter Heien visited friends in Michigan over the weekend.

Esme Bell, daughter of Mr. and Mrs. Marian Bell underwent a tonsilectomy Friday at Silver Cross hospital.

Mr. and Mrs. Marian Bell entertained the latter's parents, Mr. and Mrs. John Flick of Peotone Saturday.

Mrs. Joe Scott will be hostess to her pinocle club April 2 at her home.

The Ladies of the Green Garden Methodist church are serving lunch for the public at the annual stockholders meeting of the Andres and Wilson Farmers Grain company at Andres this afternoon.

The Young Woman's circle of the Green Garden Methodist church will serve a public chicken pie supper Friday evening, April 1 at 6 p.m. Following the supper there will be a special showing of kodachrome slides entitled We Hear Thy Voice, a Lenten meditation presented by Rev. Lloyd Coleman.

The Frankfort-Mokena Home Bureau unit will meet in the home of Mrs. Fred Schinkowski April 19, starting at 10 a.m. Mrs. William Fair will conduct a lesson in leather craft, and after a potluck dinner Mrs. Louis Holm will tell about furniture arrangements.

Mrs. Harvey Rosendahl entertained 18 boys and girls at her home in honor of her daughter Phyllis and her 12th birthday, March 19. The afternoon was spent playing games and singing songs. Refreshments were served from a table centered with a large birthday cake decorated in red and blue. The birthday celebrant received many lovely gifts.

Mr. and Mrs. Harvey Rosendahl and family attended a miscellaneous shower March 19 at Piper City, Ill., honoring Miss Betty Rosendahl, who will become the bride of Duane Wagner on April 10. The marriage will take place at the Methodist church at Piper City. Miss Rosendahl will be remembered as a graduate and is well known here.

Mr. and Mrs. Stanley Lentz are the parents of a son born March 24 at Lying In hospital, Chicago. He will be named Kurt.

Mr. and Mrs. Nels Nelson of Manteno were visitors at the Fred Piepenbrink's last Thursday evening.

The Harry Miller family were entertained at the home of Mr. and Mrs.

Fred Schinkowski Sunday evening.

Mr. and Mrs. Clarence Heisner and Mr. and Mrs. Lester Heisner and family spent Sunday afternoon at the Museum of Science and Industry at Chicago.

The Girl Scout troop committee meeting was held at the home of Mrs. Lester Heisner Tuesday evening.

Motor Club Sponsors Anti-Speed Trap Bill

A proposed law prohibiting "secret service" methods in dealing with speed violations and preventing the use of evidence of testimony based upon "speed traps" employed by police officers in hiding, will be supported by the Chicago Motor Club before the Illinois legislature, Charles M. Hayes, president of the Motor Club, announced. The proposed anti-speed trap legislation would outlaw the use of speed traps in making traffic arrests, including all practices and mechanical or electrical devices for computing vehicular speeds by registering elapsed time in traveling a measured stretch of highway.

Use of these methods result is the detection, arrest and punishment of motorists who exceed the speed limit but they do not necessarily result in the apprehension of offenders who cause traffic accidents, the Chicago Motor club contends. Effective enforcement and safe driving would be encouraged by police officers patrolling the highways in plain view.

Kentucky was the birthplace of two men destined to become leaders in the War between the States says The World Book Encyclopedia. Abraham Lincoln, president of the United States, and Jefferson Davis, president of the Confederacy, were born within 8 months and 100 miles of each other.

Presidential Board Holding Railroad Hearings in Dispute

Employment of two additional men, an extra engineer and fireman, on diesel-electric locomotives would cost the nation's railroads more than \$70,000,000 a year, Ralph Budd, president of the Burlington system has told a presidential fact-finding board.

The board is holding hearings on the demands of the Brotherhood of Locomotive Engineers for a second engineer in diesel road engines. The firemen also have demanded extra jobs on the diesels.

"Saddling this additional, unnecessary and unproductive expense on diesels will effectively curtail the railroads' program for the improvement of their plant and equipment," the Burlington president advised the board.

Mr. Budd, a pioneer in diesel and streamline train development, said that the diesel-electric engine was designed

for operation by only one man, an engineer, instead of the two-man engine crew now used which consists of an engineer and a fireman-helper.

Recounting the inroads which the private automobile began to make in the railroads' passenger business in the 1920s Mr. Budd said "we concluded that an air-conditioned, lightweight, streamlined train, operated only by an engineer, rather than the continued use of the one-man gas-electric motor car, would increase our passenger revenue and retain most of the economies of gas-electric service without adversely affecting our employees."

The Burlington's four Zephyr trains, he said, made 1,752 trips in 1934 and 1935 without a fireman in the cab. "Not a single passenger or employee was injured in any manner during this period of one-man operation." The trains were involved in only two crossing accidents but in both instances arrived at their terminals on time.

"In view of the fact that the diesel locomotive was still in the experimental state, its freedom from major mechanical difficulties during the 401-day period of one-man operation of our Zephyrs was impressive," Mr. Budd said.

The Burlington president said that the popularity of the four first Zephyr trains actually resulted in ten new jobs for engineers, the promotion of ten firemen to engineers and the return to work of three firemen who had been laid off. In addition these Zephyrs made eight new jobs for conductors, eight new jobs for brakemen and 16 new dining car jobs. Thus, instead of decreasing the number of employees, 45 new jobs resulted directly from the new trains.

"The excellent record at the beginning of our diesel train operation in 1934 and 1935 is being continued," Mr. Budd said. "The men with the most seniority on our railroad prefer the diesel run."

Citing improvements to highways in recent years, Mr. Budd said that unless the railroad plant can steadily be improved and made more efficient "the relative position of the railroads in the overall transport picture will retrogress."

"It is not my thought or wish," he continued, "that railroads should have the cost of improving their plants paid for by the government or that they be subsidized as is being done for other types of transport. There is, neverthe-

less, a price which must be paid in order that the railroads may be able to keep up with the progress which their competitors are making, largely at public expense.

"In the case of the railroads the shipper, rather than the taxpayer, must pay the freight. Under our plan of providing public transportation by rail, the rates and fares must sustain the railways. Whatever, therefore, causes loss of traffic, or prevents the most efficient operation, or unnecessarily increases, as the demands of the organizations before this board will, the costs of railway operations, is contrary to the interests of the employees, the railways and the public."

"My concern is that nothing shall happen which will prevent the railroads from keeping up with the progress of the country, with other types of commercial activities, and with other forms of transportation. They must be permitted to take full advantage of present day advances in science, invention and techniques."

The reporter of this newspaper enjoyed an interview with a Rock Island diesel engineer, asking him how he felt about having two additional men on the run with him. He stated he really was not in favor of it, as they were not needed, but what he felt was needed was a mechanic on the run. In case there would need to be some mechanical adjustments, which the engineer had no time for or could not make, such a man is necessary.

Volunteers Needed For Doughnut Tag Day June 14

Mrs. Henry Paschen, 345 Fullerton Pkwy., began Monday making preparations for the Salvation Army's annual Doughnut Tag Day, June 14. This year marks Mrs. Paschen's 11th consecutive year of service as chairman of the Doughnut Day committee.

Ten thousand women are needed to sell the 1 million doughnut tags necessary to make Doughnut Tag Day a success. These volunteers will sell tags in the nine regions into which the city is divided and in approximately 55 suburbs. Each region will have its individual chairman operating under Mrs. Paschen.

The funds raised through the annual Doughnut Tag Day supply an important part of the support for the Salvation Army's medical and dental clinics, hospitals, day nursery, summer camps, recreation programs and work with youths.

About every nine minutes during 1948 some new person came to the Salvation Army in Chicago for help. Services given these 58,000 individuals ranged from counseling to complete care of unmarried mothers and their babies. During 1948 the Army served 1,125,000 meals to the hungry; provided 275,000 nights lodging to the homeless; treated and furnished medicine to 5,200 different patients in its medical and dental clinics; found employment for 3,700 persons.

In appealing for volunteers, Mrs. Paschen said: "Doughnut Tag Day is an exceptional opportunity for women to contribute in a small measure by volunteering only three hours of their time to sell tags on June 14. Volunteers should make application to Doughnut Day Headquarters at 130 N. Wells St., suite 175 or telephone Mrs. Henry Orlove at ANdover 3-2712."

**Don't let
BOTTLENECK WIRING*
dim your electrical future**

"Bottleneck wiring" can make your new home an electrical antique before you move in. Insist on adequate wiring in the home you're building or planning.

Adequate wiring means having enough outlets, switches and circuits, to take care of all your present and future appliances without the nuisance . . . and danger . . . of overloading, dimming lights and blowing fuses. Adequate wiring is your assurance that all the comforts and conveniences electricity makes possible are yours when you want them.

The difference between the cost of a "just average" electrical installation and an adequate wiring installation is small. It costs a little more but offers many advantages. In the years to come as you add the many new electrical appliances that become available you'll benefit from your foresightedness. You'll be glad you installed adequate wiring.

There's an Electrical Future for Apartments, too

Farsighted apartment owners and builders eliminate bottleneck wiring, too, in order to assure the future desirability . . . and present safety . . . of their buildings.

***BOTTLENECK
WIRING means:**

Not enough outlets
Too few circuits
Wire too small
Not enough switches

The fifth meeting of the New Lenox Cardinals was called to order March 15 in the New Lenox grade school gym by Joan Kern, president. There were 41 members present. For Roll call, each had to do a posture exercise which she had done during the month. Material and patterns were given out for the 4H uniforms. A few of the girls cut out their uniforms at the

meeting. The next meeting will be held April 19 in the school gym.

The regular monthly meeting of St. Jude's Altar and Rosary society was held in the church dining room Tuesday night, March 22. Election of officers for the coming year was held, with Edna Cutler elected president, Magdalen Staley, vice president; Caroline Techman, treasurer and Honora Lydon, secretary. Plans were made for a bakery sale to be held at O'Daniel's drug store Saturday, April 2. All women of the parish are asked to donate toward the sale. Following the business meeting card games were played. Prizes were awarded to Fern Brown, Edna Cutler, Helen Martin, Stella

Gear, Lillian Huttonhoff, Eileen Lerch and Ann Zeher. Lunch was served by the hostesses, Bea Tarrant, Evelyn Arends and Ann Skvovc.

Mrs. Joseph Ingram was hostess in her home last Wednesday at a o'clock luncheon for the members of the Split and Whitt club. Guests were Mrs. Paul Babb and Mrs. Frank Nelson of Chicago; Mrs. Lawrence Furry and Mrs. Paul Bieber of Midlothian, Mrs. Donald Ambuch of Mokena and Mrs. Herman Torrence of New Lenox.

Mrs. William Collatz entertained at a party last Wednesday honoring the 80th birthday anniversary of her mother, Mrs. Octavia Pugh. The party was held in the home of Mrs. Pugh, and a potluck dinner was enjoyed at 12:30. The large dining room table was covered with white linen and centered with a beautiful plant and a birthday cake. The honored guest was presented with a pink carnation corsage from the hostess.

Bunco was played at three tables and prizes were won by Mrs. Alfred Emiley, Mrs. Olive Frick and Mrs. Merlin Embling. Many lovely gifts were also presented to Mrs. Pugh. Guests were: Mrs. Mary Bentley, Miss Caroline Bentley, Mrs. Embling, Mrs. John Warning, Mrs. Alfred Emiley, Mrs. Frick and Merry Lee Collatz of New Lenox, Mrs. Edna Doyle of Manhattan and Mrs. Alfred Engels of Joliet.

Mrs. Clarence Warning has returned to her home at Monongahela, Pa., after spending several days here with Mr. and Mrs. John Warning and family and also with relatives at Lexington and Bloomington, Ill.

Mr. and Mrs. Elvin L. Anderson, 1015 Sheridan Road, Evanston, are announcing the engagement and approaching marriage of their daughter Carol Phyllis, to Buell Carlton Cole, son of Mr. and Mrs. F. Carlton Cole of New Lenox. The wedding will take place on June 18 in the First Methodist church in Evanston. Miss Anderson, after graduating from Evanston township high school, attended the University of Illinois for one year. Mr. Cole is a student at Northwestern university and will enter the Northwestern medical school in September.

Mr. and Mrs. Earl W. Schroeder and Lynn spent the past weekend in Saugatuck, Mich. with her parents, Mr. and Mrs. A. W. Walsh.

The Friendly Circle group of the Methodist church will meet Saturday night April 2 in the church basement with Rev. and Mrs. Ralph L. Miller and Mr. and Mrs. Charles Werner as hostesses. The evening will be spent in woodcraft work.

Little Michael Gibbons, and Donald and Susan McGowan have been ill with chicken pox.

Charles Pease, who was a patient in Silver Cross hospital recently, is recuperating in the home of Mrs. Octavia Pugh, where he is staying.

Mrs. Louis Wilson has been ill in her home.

Mrs. Ida Pelkey was seriously ill in her home last week.

Mrs. Jessie Watkins is a patient in Silver Cross hospital.

Mrs. Ted Zusag underwent surgery recently in Silver Cross hospital and is expected home this week.

Dale Anderson has recovered from an eye infection.

Mrs. George Vally and daughter Sharon have returned home from Sil-

ver Cross hospital where they were medical patients.

Robert M. Gillette left Monday on a week's business trip to northern Wis.

Mrs. Ruth Peterson entertained her pinocle club in her home last nite.

Richard Peterson, son of Mr. and Mrs. Norman Peterson has recovered from a week's illness.

Mrs. Roy Pfeiffer was ill in her home this week.

Mr. and Mrs. Harvey Frick entertained their pinocle club in their home Saturday night.

Prize winners were Mr. and Mrs. Roy Garman, Mr. and Mrs. Joseph Ingram and Mr. and Mrs. William Collatz. The Ingrams will entertain the club next.

GIRL SCOUT NEWS

The second grade girls of Brownie troop 100 met Thursday afternoon after school in the Methodist church basement. The meeting opened with the Scout pledge, after which games were played. Refreshments were served by the hostess, Dotte Jean Anderson. The Brownie story was told to the leaders, Mrs. Carmel Erickson and Mrs. James Campbell, by the girls, as it was read to them over a period of weeks.

During their art work period tulips were colored, and the meeting adjourned with the Wishing Ring.

The third and fourth grade girls of Brownie troop 100 met Wednesday afternoon after school and enjoyed a nature hike to find how many signs of Spring could be seen. After the hike the girls returned to the grade school grounds where they had a jumping rope contest. Four teams in relay tried out. Refreshments were served by co leader Janet Mooney.

Intermediate Scout troop 96 met for their regular weekly meeting in the school gym with their leaders, Mrs. Mildred Robinson and Mrs. Vera Nusbaumer. Refreshments were served by Carol Stockly, who was hostess for the week. Games were played and the scout meeting adjourned with the Friendship circle.

All eight grades of the local school enjoyed the movie, Walt Disney's "Song of the South" in the auditorium Tuesday afternoon.

Early Thursday morning the 5th grade pupils, with their teacher, Mrs. Eleanor Hills, boarded a chartered bus, to spend the day at the Museum of Science and Industry at Chicago.

Plans are underway for a band concert to be held the latter part of April.

Legal Notice ANNUAL TOWN MEETING

NOTICE is hereby given to the legal voters, residents of Town of Bremen, in the County of Cook, and State of Illinois, that the ANNUAL TOWN MEETING of said Town, will be held on Tuesday, April 5, 1949, being the first (1st) Tuesday of said month, at the hour of two (2) o'clock P.M., at the VILLAGE HALL of TINLEY PARK, ILLINOIS, for the transaction of the business of the Town, and, a MODERATOR having been elected, will proceed to hear and consider reports to appropriate money to defray the necessary expense of the TOWN, and decide on such measures as may in the

pursuance of LAW come before the MEETING.

Given under my hand at my office at 14346 Campbell Avenue, Posen,

County of Cook, and State of Illinois, this 22nd day of March, A. D., 1949.
